

PROJECT 1 EVALUATION FORM

YOUR NAME:

CREATOR OF PROJECT:

A project can't be summed up just in numbers. Be sure to use the comments section to include your feedback on the project, particularly what it did well or needed improvement in.

CHECK THE NUMBER REPRESENTING YOUR RESPONSE: 1. Weak 2. Fair 3. Average 4. Very Good 5. Excellent	RATING				
	1	2	3	4	5
1. Concept: Does the project have a clear concept, and does it demonstrate a clear reason why we should be interested in it?					
2. Research: How much is the project in conversation with the piece it is responding to, and did the creator research previous projects and think deeply about it?					
3. Technique: consider the aesthetic, conceptual, etc. decisions the creator of the work made. Do they support the piece and demonstrate a degree of intentionality?					
4. Form: How does the form of the work contribute					
5. Overall presentation and impact of the piece					
COMMENTS: Is there something special you want to call out, or anything that particularly deserves notice or comment? Did something work really well, or not at all? Be thorough, not mean.
